ACKNOWLEDGEMENT

The satisfaction that accompanies the successful completion of any task would be incomplete without the mention of people who made it possible and whose constant guidance and encouragement crown all the efforts with success.

I would like to take the opportunity to express my profound sense of gratitude to the revered Principal, **Dr. R. K. Goswami** for all the help and support towards the successful completion of my project.

I would like to take this opportunity to express my profound sense of gratitude to Vice Principal, **Dr. G. Sudheer** for allowing us to utilize the college resources there by facilitating the successful completion of our project. I am also thankful to both teaching and nonteaching faculty of the Department of Computer Science and Engineering for giving valuable suggestions for my project.

I express our deep sense of gratitude and thanks to **Dr. P. V. S. Lakshmi Jagadamba**, Professor and Head of the Department of Computer Science and Engineering for her guidance and for expressing her valuable and grateful opinions in the project for its development and for providing lab sessions and extra hours to complete the project

I feel elated to extend our sincere gratitude Mrs. D. Indu, Assistant Professor, and **Mentor** of my project for her encouragement all the way during analysis of the project. Her annotations, insinuations and criticisms are the key behind the successful completion of the thesis and for providing me with all the required facilities.
